**GUIDING LIGHT FROM THE GROTTA**  
**24th Sunday in Ordinary Time**  
**Luke 15:1-31**

**IN A WORLD OF HATRED SEEK MERCY AND FORGIVENESS**

Sunday, we mark the 21<sup>st</sup> Anniversary of 9/11. The question we ask ourselves “where was I on that day.” I recall preparing for a funeral of a young lady at St. Brigid, Westbury, when our receptionist called and told me that a plane crashed into the World Trade Center. My mind immediately thought of the news when a small plane hit the Empire State Building in 1945. After the tragic events of that morning, we thought the United States that we knew of was coming to an end.

Our hearts and prayers go out to each of the families who have lost someone to 9/11 especially in our parish. It was a dark day that will be forever etched into our hearts. Despite the darkness however, light pervaded. An image that we can hold onto is the steel beam in the form of a cross that remained once the towers collapsed. As people of faith, this scene tells us that during suffering God is with us. John 1:5 tells us that **“the light shines through the darkness and the darkness has not overcome it.”** The light is the Word made Flesh Jesus Christ, who pledges to share his very self with us each day and give us the grace to live out our discipleship through the most challenging times of our lives.

When he visited Ground Zero in 2008, Pope Benedict XVI prayed to God “turn to your way of love, those whose hearts and minds are consumed with hatred... and give us the wisdom and courage to work tirelessly for a world where true peace and love reign among nations in the hearts of all.” The Pope was praying that we don’t become like those who used their hatred to kill approximately 3,000 people on 9/11. Jesus teaches this through the three parables from the Gospel of Luke. He tells us that God does not seek to condemn the sinner but is rather willing to seek out and forgive those who are lost. What a better way to remember this day than extending a hand of mercy and forgiveness to another. Where am I holding onto hatred and bitterness in my life? Can I give that back to God to be transformed?

We remember and pray for all those whose lives were lost on that tragic day. We also pray for their family and friends. We are grateful to God for the people who gave their lives that day. We particularly pray for the souls of **Scott Bart, Jacqueline Donovan, James Haran and Diane Urban from Malverne**. May their souls and the souls of the faithful departed through the mercy of God rest in peace. Amen. In all that we say and do, may our minds and hearts be formed and enlightened by the life and teachings of Christ. May God bless you and Mary keep you and your families always. Our Lady of Lourdes, pray for us!

**Fr. Jim**

**A Prayer by Fr. Mychel Judge for a Life of Mercy:**

Lord

Take me where you want me to go,

Let me meet who you want me to meet.

Tell me what you want me to say and keep me out of your way.

God, our Father, please send us holy priests, all for the Sacred and Eucharistic Heart of Jesus, all for the Sorrowful and Immaculate Heart of Mary, in union with St. Joseph. We pray that the Blessed Mother wrap her mantle around your priests, and through her intercession strengthen them for their ministry. We pray that Mary will guide your priests to follow her own words, "Do whatever He tells you." ## Reflection for Next Sunday

### Twenty-Fifth Sunday in Ordinary Time

**September 18th, 2022**

First Reading: *Amos 8:4-7*

Second Reading: *1 Timothy 2:1-8*

Gospel Reading: *Luke 15:1-32*

*Jesus responds to those who criticize him for keeping company with the unworthy.*

## Family Connection

Read or retell in your own words, the three stories from the Gospel. Ask your children to recall games they play that involve losing or hiding something and then finding it. (Hide and Go Seek, Ghost in the Graveyard, Button, Button, Who's Got the Button?) Talk about how exciting it is to find the person or thing being looked for.

Ask your children if they have any memories of losing something special or being lost themselves. Share the stories as well as the fears or feelings. Then tell them that just as you would go to any length to find and bring them home if they were lost, so too would God. That is what Jesus is telling us in the three stories. No matter what we do, no matter how wrong we are, God, our loving father, is always anxious to forgive us and welcome us back home.

*Grant eternal peace to those whom*

*You have called unto Yourself,*

*O Lord.*

**Fr. William G. Gallagher**

## Our Lady of Lourdes School Weekly Newsletter

Tuesday, September 6<sup>th</sup> was the start of what will be a great year here at Our Lady of Lourdes School. Even though the rains came, students, parents, faculty, classroom aides, and staff brought their brightness into our building. We brought life back into the walls of this beautiful community. Our building is alive with love and joy! The bright smiles of our students replaced the lack of sun. Their song filled the rooms with joy! They reminded themselves in each classroom that though they had likes, they also had differences. But they know that they are family, likes and differences help build family and community. Students, Teachers, and Aides are the faces of God to one another. We are the voice of Christ, the hands and feet of Christ. Together we will change the world one step, one voice, one kind gesture at a time. We are here to make a difference! We are LOURDES!!

As we remember all those lives lost on September 11<sup>th</sup>. We continue to remember through prayer the families of all those who lost family members on that day! May God hold them forever in the palm of His hand.

### ST. PIUS X RESIDENCE FOR RETIRED PRIESTS

*"A priest who is close to his people walks among them with the closeness and tenderness of a good shepherd; in shepherding them, he goes at times before them, at times remains in their midst and at other times walks behind them."*

-Pope Francis

Dear Friends:

Please accept my deepest thanks for your prayers and continued financial support for our senior priests residing at the St. Pius X Enriched Living Facility.

When a diocesan priest is ordained, he promises to shepherd God's people through happy and difficult times. Through the years, the Diocese of Rockville Centre has been blessed with many shepherds who have done just this and selflessly guided the faithful of Long Island. Even in retirement, our priests continue to shepherd the flock and make a profound impact on the lives of Catholics of all ages. They celebrate Mass in our parishes, visit the sick and homebound, and bring God's Word to those in prison.

After a lifetime of sacrifice and service, no priest should face retirement without the care and support they may need with daily living. Happily, our St. Pius X facility provides a life-enriching experience for the men who live there, enabling our dedicated shepherds to live or recuperate in an environment that gives them the extra care and attention that they need. At the same time, St. Pius X allows them to serve as active, fully engaged members of the community.

Please take some time to review the enclosed materials. I encourage you to give prayerful consideration of a gift in support of our retired priests living at St. Pius X Enriched Living Facility. As our Holy Father has pointed out, "... a community that takes care of the sick and elderly priests is one that is well-rooted in Jesus." May I also ask that you remember all our priests in your prayers as I know you and your family are remembered in ours.

Sincerely in Christ,

*+ John O. Barres*

Most Reverend John O. Barres

### *Parish Mission Statement*

*We, the parish family of Our Lady of Lourdes, are a faith-filled people who welcome all to join us as we listen to the Word of God and celebrate the Eucharist together. We encourage each other to grow in Christ as we use our God-given gifts to serve the people of our community. Through the Holy Spirit we are inspired through our Patroness, Our Lady of Lourdes, and we strive to imitate her charity and love in making the will of God our own.*

### THE TRUTH ABOUT DOBBS

Justice Samuel Alito wrote the majority decision in the Dobbs v Jackson Women's Organization case. The following is a brief summary of how the majority came to its decision:

It is time to heed the Constitution and return authority to the people and their elected representatives.

Roe short-circuited the democratic process.

Roe was on a collision course with the Constitution the day it was decided, and Casey perpetuated its errors.

The Constitution makes no mention of abortion.

No right to abortion is implicitly protected.

Abortion is not deeply rooted in our history or tradition.

Roe and Casey were an abuse of judicial authority and an exercise of raw judicial power

Roe was egregiously wrong from the start with exceptionally weak reasoning and damaging consequences.

We hold that Roe and Casey must be overturned.

Contrary to some media reports, there is no reference to contraception, miscarriage, ectopic pregnancy, prosecution of doctors or any other related topics in the decision.

Dobbs rules that a right to abortion is not found in the Constitution and the matter is to be returned to the states for the people to vote on the issue.

## Abortion-Why Not?

Since the Dobbs v. Jackson decision by the Supreme Court, you've heard the arguments in favor of abortion more publicly and more vociferously than before. The decision did not eliminate or regulate abortion. It merely turned the question of abortion back to the states to be voted on by the citizens of each state.

But the fear of losing in the court of public opinion, has sparked outrage among the proponents of abortion who now desperately repeat their time-worn arguments in favor of destroying the life of the child in the womb.

Has your pro-life position been challenged by a member of your family, a friend or neighbor? Maybe you'd like some suggestions to support the pro-life position. You want to defend the defenseless, speak for the voiceless, and speak the truth in love to those who need to hear your voice. Now that the abortion question is in "our court" in New York, will you prepare yourself for the challenge?

Dr. Steven A. Christie, M.D., J.D. has written a book entitled Speaking for The Unborn, (pro-Life Rebuttals to Pro-Choice Arguments).

We would like to make the book available to you at no cost except for a free-will offering. If you would like the book, please complete the form below and leave it at the rectory by Sept. 15.

I would like a copy of  
Speaking For The Unborn.

### Focus on Religious Freedom

#### **Today We Mourn and Honor All Who Perished on 9/11/2001**

Twenty-one years ago today, when terrorists destroyed the twin towers of the iconic World Trade Center, they attacked not only New York City, but the idea of America itself as founded on the principles of Freedom, Faith, Family, Life, Limited-government, Law and Authentic Goodness. (FLAG). Thousands died that day, not as combatants but as Americans, living the liberties of our Republic under a Constitution based on rights from our Creator. These Americans lived, worked and visited this city where the rule of law and goodwill toward others prevailed in spite of human imperfections. Hundreds of them chose as their life's work to rush toward danger when help was needed. On Sept. 11, they perished in harm's way.

We pray for them in grateful remembrance. We pray for comfort for their loved ones as a nation still grieving the loss of each one of them. Let our lives reflect respect and appreciation for the liberties they had no chance to defend that day.

If the liberties they lived are to prevail, our children and grandchildren must be taught the bedrock of our liberties is inalienable rights from our Creator. The natural rights of life, liberty and the pursuit of happiness guided our founders in their construction of a Constitution written for "ages and millions yet unborn" ...a Constitution not bounded by culture or by technology but bounded by the immutable nature of man and his reliance on God.

Those Americans who died on Sept. 11, 2001 lived in the freedom to follow their faith or to choose no faith. They were not forced to behave or worship according to the dictates of any government. They were not subject to an all-powerful culture or government selecting winners and losers, rich and poor, respected and vilified. We honor them by living those freedoms and insuring them for their loved ones

As we remember the joy of their lives and the anguish of their loss, we pray for the repose of their souls in the comforting arms of the Savior of us all. May they rest in peace and may we protect and preserve the liberties for which they were so grievously attacked.

***"Hold on, my friends, to the Constitution and to the Republic for which it stands. Miracles do not cluster and what has happened once in 6,000 years may not happen again.***
