THE THIRTIETH SUNDAY IN ORDINARY TIME

MATTHEW 22:34-40

I am pleased to announce the completion of the second project outlined in our Capital Campaign, “Echoing Mary’s Fiat Through Generations.”

We now have two new boilers installed—one serving the Parish Center and the other the Rectory. These important upgrades will provide more consistent and energy-efficient heating throughout the winter months.

I extend my heartfelt gratitude to everyone who has contributed to our Capital Campaign. Your generosity and support make these improvements possible and help us continue caring for our parish facilities. May God bless you abundantly for your generosity!

If you have not yet contributed to the campaign and would like to do so, please contact the Parish Center. It is never too late to give!

A heartfelt thank you to everyone who helped make this year’s Parish and School Bazaar such a wonderful success! I would especially like to recognize our dedicated Bazaar Committee — Elizabeth Krull, Jennifer Prizzi, Kelly Lackner, and Kristen Fage — for their countless hours of planning, hard work, and commitment to making this event possible.

Special thanks also go to Carl Prizzi, Jimmy Fills, Lisa Durand, Veronica Mahoney and the Knights of Columbus, and Angelo and Regina Montalvo, who went above and beyond in generously giving their time and talents throughout the weekend.

I would also like to express my sincere appreciation to our maintenance team, Rocco Bruzesse and Kevin Dieck, for their tireless efforts before, during, and after the Bazaar. Their dedication and hard work behind the scenes were invaluable.

A very special thank you to Keith Lyle and the Easy Rider Band, along with Christine Solimeno, for so generously donating their time and musical talents to provide our entertainment. Their performances brought wonderful energy and enjoyment to the weekend, and we are truly grateful for their generosity.

Finally, to all of our wonderful volunteers, incredibly generous sponsors, parishioners, and school families, thank you for your kindness and support. The Bazaar was a beautiful reflection of our parish and school communities coming together in friendship, fellowship, and generosity.

May God bless each and every one of you for your continued dedication to Our Lady of Lourdes!

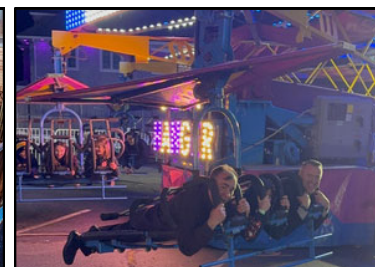

May God continue to bless you and your families always.

Our Lady of Lourdes and St. Bernadette, pray for us!

OPEN FORUM ON “EQUAL PROTECTION” PRO-LIFE DEBATE

JOIN THE DISCUSSION – LICL MEETING 10/26/26

- >> Should a human in the womb have the same protections against murder as born humans?
- >> Should a mother who commits an illegal abortion of her child face possible prosecution?

This current debate within the pro-life movement will be examined at the Long Island Coalition for Life monthly meeting, October 26th. While some argue that the murder of preborn children should be treated the same as murder of born human beings, others say that post-abortive women are also victims of abortion and should not be treated as criminals. Presentation will be followed by Q & A.

We welcome all pro-lifers to this meeting:

In this Sunday's Gospel we find the truth that loving God isn't merely a matter of fervor in our hearts, but that it must be expressed in doing good for the sake of others.

This month, through your gifts, the Society of St. Vincent de Paul was able to show that we indeed love our neighbors by assisting families, providing food and for aid with utility and rent bills, etc. Thank you!

Principal's Message

In this Sunday's Gospel, Jesus brings us to the heart of our faith: loving God with our whole being and loving our neighbor as ourselves. These two commandments guide how we pray, how we treat others, and how we respond to the needs around us.

At Our Lady of Lourdes Catholic School, we strive to help our children put this love into practice each day. We see it when a student welcomes a classmate, offers encouragement, includes someone at recess, or finds the courage to apologize. These everyday choices help our children understand that faith shapes both our words and our actions.

This past week, we also celebrated Columbus Day, an opportunity for our students to reflect on exploration, discovery, and the many cultures and peoples whose stories are part of our nation's history. These lessons invite our children to approach learning with curiosity and to recognize the dignity of every person.

As we celebrated World Mission Sunday, our school community participated in a dress down day in support of the Church's missionary work. Together, we reflected on the importance of reaching out through prayer and support to our neighbors in need, both here in our own community and throughout the world. This simple act of generosity reminded our students that we are part of one human family, called to share Christ's love across every boundary. Thank you to our families for supporting this opportunity to put our faith into action.

We also celebrate the beauty of our Parish Bazaar, where everyone has the opportunity to come together and enjoy community, fun, rides, and delicious food. There is something special about seeing families, friends, parishioners, and neighbors sharing laughter and making memories together. These moments strengthen the bonds that unite our school and parish family. We are grateful to the organizers and volunteers whose time and hard work make this beloved tradition possible.

Our school theme, "Mary's Yes... Our Yes!", reminds us that Mary's love for God found expression in her willingness to serve. We, too, are invited to say yes—to patience when we feel frustrated, to generosity when someone needs help, and to kindness when it would be easier to turn away. Together, home, school, and parish help our children recognize these opportunities and respond with love.

As October, the Month of the Rosary, draws toward its close, may we make time to pray as families and ask our Blessed Mother to lead us closer to her Son. Even a few quiet moments of prayer can help us place our concerns before God and become more attentive to one another.

Thank you to our faculty, staff, families, and parishioners for the many ways you support our school's mission. Your prayers, service, and care help our children grow in faith, learn with purpose, and lead with love.

May we enter this week asking: How can I show my love for God through the way I care for someone today?

Our Lady of Lourdes, pray for us!

Reflection for Next Sunday

Thirty-First Sunday in Ordinary Time

November 1, 2026

First Reading: *Revelation 7:2-4,9-14*

Second Reading: 1 John 3:1-3

Gospel Reading: Matthew 5:1-12

Jesus teaches what it means to be happy.

Family Connection

One of the great gifts of our Catholic tradition is remembrance of and prayer with the saints. The Church offers us an official canon, or list, of saints. On All Saints Day, we recall and pray with these saints. It is important to continue to tell these stories of saints and saintly people to our children so that they have ample models of people of faith for their own lives.

Together as a family, name and tell the story of favorite saints. Together prepare a list of some of the traits that these people have in common (generosity, courage, prayerfulness, and so on). After preparing this list, read together today's Gospel, Matthew 5:1-12. Identify how the attitudes described in the Beatitudes are reflected in the lives of the saints and people you named.

Pray together as a family a Litany of the Saints. (For example, the leader prays, "St. Elizabeth," and the children are invited to reply, "Pray for us.") Include in your list the saints and holy people you named in your discussion. Conclude by praying that your family will follow the example of these people as disciples of Jesus.

If you require the elevator, please contact the Parish Center so we can add you to our call list in the event it is out of service.

Thank you!

REMINDER

We need your assistance in maintaining an accurate Parish Census. When you change your address, telephone number, or move out of the parish, please notify us. Just drop us a note or call us at 516-599-1269. Thank you.

All parishioners are invited to volunteer to be a part of the offertory procession at the Mass which you attend. This may be especially appropriate if the Mass is being offered for a relative or friend. Please see one of the Ushers before Mass begins to make your intention known.

*"Blessed are those who mourn, for they shall be comforted." ~
Matthew 5:4*

Our Lady of Lourdes is seeking compassionate individuals to join our Consolation Ministry, a vital part of our parish's outreach to those who are grieving the loss of a loved one. Members of this ministry provide support, comfort, and prayerful presence to families during funeral liturgies and the preparation of the Mass.

If you feel called to accompany others in their time of sorrow and offer the healing love of Christ, please consider becoming part of this meaningful ministry. Training and guidance will be provided.

To learn more or express interest, please contact the Parish Center at 516-599-1269.

CHRISTIANITY AND THE AGE OF AI:

*Exploring the DELTA Framework
for Understanding Powerful AI*

Thursday, October 29
7:00 – 8:30 PM

St. Joseph's Seminary, Yonkers
Attend in person or via Zoom

SPEAKER: MEGHAN SULLIVAN

Wiley Family Collegiate Professor of Philosophy,
Director of the Notre Dame Ethics Initiative,
Director of the Notre Dame Institute
for Ethics and the Common Good

Faith communities once stood at the center of society's defining ethical debates on nuclear arms, civil rights, and bioethics. When the digital era dawned, they were largely left out of the conversation. As we move from a search- advertisement economy to one built on powerful large models and agentic AI, that absence matters more than ever.

Join us at St. Joseph's Seminary for a timely exploration of five concepts from the Christian ethical tradition and what they offer today's debates over the development and deployment of AI. The lecture will also consider what theological and philosophical reflection can contribute in light of the current economic and political conditions surrounding the AI industry.

Behold, I stand at the door and knock. If anyone hears My voice and opens the door, [then] I will enter his house and dine with him, and he with Me."
